

PM Day # 1 – 2018

Main Topic:

Project Manager 2.0: Le Chef de Project de demain

Saturday, 3 February 2018, Sultani Hotel, Kinshasa, RD Congo

PMI Chapter Congo: Key Speaker

Allan Kawele is the Managing Executive - Central, Eastern and Western Africa Region for Dekatshe Consulting, an ICT consulting firm registered in South Africa offering its services to the Telco, FinTech, FMGC, Mining and Government verticals.

Prior to that, Allan held the position of IT and Billing Director at the then 6th DR Congolese Mobile Operator (Yozma Time Turns, part of Smart Telecom), where he also had the responsibilities on regulatory issues.

Before getting back to his beloved Congo DR, Allan worked also in Dubai at the headquarters of LAPGreen Networks where he Headed the Group IT Operations and Governance. With that, Allan initiated and provided leadership on a lot of projects ranging from small to multi-millions US\$ in Central, Eastern, Western and Southern African countries across various industries.

Allan, also occupied positions like Program Manager for Airtel Francophone OpCos on a venture between Airtel/IBM/Maraisson; Governance, Risk and Compliance Consultant and Senior Cisco Technologies Consultant for Etalon ICT Services. Allan holds a Master's Degree in IT, a Bachelor's Degree in Computer Sciences and various industrial certifications like ISO 27001 Lead Auditor, BCMs Lead Implementer, Cobit, ITIL, COSO-ERM, IT Project Management and alike.

Allan is also currently serving as the QAP (Quality Assurance Plan) Coordinator on the CNAP (Cisco Networking Academy Program) PRB (Product Review Board Member) for Central Africa.

Finally, Allan cares about the digital divide between the North and the South as well as the participation of women in technology as a way of reducing the gap in revenue distribution between males and females.
